## NOTICE CURRENT YEAR 13 STUDENTS A2 COURSES

The majority of the AS module exams are now over, and we hope that your hard work will be rewarded.

However, it is now important that we start to look at your **A2 Year** and starting these courses. In many cases the A2 courses is worth 60% of the final qualification.

Any student that is planning to progress into Year 14 in September 2023 is required to return to school from **Monday 5<sup>th</sup> June 2023** and cover their normal timetable. Where collaboration classes have not started students will remain in the 6<sup>th</sup> Form Study. Full School Uniform is required.

Students who have not fully completed their AS portfolios in BTEC subjects will also have the opportunity to do so.

*PS: Any students sitting any public examination may take the day prior to the exam as a study day.*
